PTSO  
Parent - Teacher - Student - Organization

September 2009  
Volume 1, Issue 1

## How You Can Help

Get Involved. Offer to help out at one or two events this year, or come to meetings. You can also give your input by contacting a PTSO board member if you can't make a meeting. Spread your ideas. Whether you can find a few minutes a week, an hour a month, or can volunteer only once a year, your child and the school will benefit. Any amount of time you spend being involved is valuable and can help increase student achievement. Meeting minutes will be posted online on the elementary school website <http://www.swcsd.org/>.

## Save those Box tops

The **BOXTOPS FOR EDUCATION** program has been a fantastic source for funds for our school. There are hundreds of products out there that participate in the program, including cereals, refrigerated and dairy foods, snacks, paper products and storage products. Just check the packaging, look for the logo and cut it out.

Drop them off in the office or bring them to the PTSO meetings. [Boxtops4education.com](http://Boxtops4education.com) has a complete list of eligible products.

**Class Directories** Information for **Class Directories** needs to be returned to the PTSO mailbox or your child's teacher soon! The Class Directories will be distributed to interested parents by grade level only, as a nice way to for you to be able to keep in touch with your child's friends and classmates for special events and birthday parties, etc. If you have questions please call one of the PTSO board members.

## Thank You!

~ Special thanks to the following for help with **Meet & Greet** Pizza nights on Sept. 16, 17 & 18 at the Delaware Youth Center.
